Welcome

On behalf of NSWCIS, we welcome students, parents, officials and staff to the 2026 Girls 19 Years and Under Netball Championships. Congratulations to every student who is participating today on being selected to represent your school and association.

NSWCIS aims to provide a pathway to state and national level competition. Many CIS athletes have continued through this pathway, leading to higher competition, some as high as the Commonwealth and Olympic Games.

Thank you to all of those involved in making the event possible, and we look forward to positive and successful trial.

Acknowledgement of Country

In the spirit of reconciliation, NSWCIS acknowledges the Traditional Custodians of country throughout Australia and their connections to land, sea and community. We pay our respect to their Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples today.
