## Parents / Spectators Code of Behaviour:

- Remember children and students play the game for fun and enjoyment... They are not playing for the entertainment of spectators only, nor are they miniature professionals. Do not let your conduct detract from their enjoyment.
- Refrain from using bad language or inappropriate behaviour towards players, coaches, officials, or other spectators.
- Encourage students to follow the rules and respect officials' and coaches' decisions – regardless of the outcome.
- Encourage students to respect the efforts of their opponents.
- Applaud effort and good performances from all players and each team.
- Focus on a Students effort rather than winning and losing;
- Never ridicule or scold a child for making a mistake during a competition. Positive comments are motivational.
- Thank coaches, officials and volunteers who give of their time to conduct events for the students...without these people there would be no events;
- Condemn the use of violence in any form, whether it is by spectators, coaches, officials, or players.
- Respect the rights, dignity and worth of all involved with NSW CIS events regardless of their gender, ability, or cultural background.
